COVID-19

CORONAVIRUS SCREENING INFORMATION

If you are experiencing flu-like symptoms and are concerned about Coronavirus, you can use CAMC's 24/7 Care app to talk to a provider **FREE** – anytime, day or night. It only takes a few minutes to download the 24/7 Care app and set up an account. Then you can request a free visit using coupon code **COVID**. A CAMC provider will call you or video chat with you to talk about your symptoms and give you information about what to do should you need screened for Coronavirus.

If you do not have a smart phone or computer or if you have trouble downloading the 24/7 Care app, call **(304) 388-9200** for assistance. We will help you sign up for 24/7 Care and get connected with a provider at no cost. *Please do not call this number with general health questions about Coronavirus; we can only assist you with 24/7 Care. For general questions and concerns about Coronavirus, call the West Virginia Department of Health and Human Resources hotline at 1-800-887-4304.*
